To: ACTI Joint Operating Committee and Participating District Superintendents
From: Shawn Eckenrode, Administrative Director
Date: February 23, 2022
Subject: 2022-2023 Proposed Operating Budget

The proposed 2022-2023 Adams County Technical Institute (ACTI) Operating Budget is enclosed for your review and action.

The 2022-2023 ACTI Operating Budget contains the following differences from the 2021-2022 ACTI Operating Budget:

- Teacher and staff salary and benefits equals 81% of the ACTI Operating Budget. Over half of the increase in total expenditures is related to salary and benefits.
- ACTI is now receiving the CTE Student Subsidy. It is based on prior year enrollment. In accordance with the Articles of Agreement, participating districts will receive a credit on their final quarterly payment based on any surplus remaining after establishing an 8% unassigned fund balance.
- Although purchasing equipment is necessary to operate high-quality career and technical education programs, ACTI relies heavily on grants to obtain our equipment.
- All grants (Perkins, Competitive Equipment, Supplemental Equipment) will be added as Budget Amendments as we receive approval.
- In 22-23, ACTI will be a fiscal agent for the Perkins grant and will no longer be in a consortium with GASD.
- No funds have been designated for Capital Reserve (31). It was not included in this budget.
- Per JOC action on January 26, 2022, the district share formula will remain based on 80% prior 3 years' average daily membership and 20% 9-12 enrollment.

The ACTI Operating Budget must be approved by four (4) of the five (5) participating districts **and** a majority vote of all the school directors of all the participating districts. Once action is taken at your school board meeting, please have your School Board Secretary mail the enclosed Budget Resolution to the Adams County Technical Institute.

My sincere appreciation and thanks go out to the ACTI Joint Operating Committee members and alternates and to our participating district superintendents for their continued cooperation and support of ACTI. I'm excited about future growth and honored to help the students of Adams County meet their career objectives!

Sincerely,

Shawn Eckenrode
