## FACE Mission Statement

The Fairfield Area School District will extend learner options for achieving goals by developing and implementing a comprehensive, student-centered online learning environment that effectively uses current technology, research-based instruction, standards driven content, and highly qualified instructors.

## Attendance Policy

According to Pennsylvania State Law, parents and/or guardians are responsible for ensuring that their student(s) attends school. Full-time online learning students **are expected to complete at least 20 hours of work online each week**, and that is not including the offline activities that may correspond with each given course.

A week for cyber-school is defined as **Week 1: Friday 12:01 AM – Week 2: Thursday 11:59 PM**. Students who work less than the expectation will be marked absent for the hours not fulfilled online.

Example: Student A works online 12 hours during a given week instead of the expected 20 hours. Student A would be marked absent for Thursday and Friday of that week as 20 hours translates into 5 days at 4 hours a day, and 12 hours would fulfill 3 days at 4 hours a day.

Online hours need to be completed **prior to 11:59 PM each Thursday** in order for the online hours to count for that week's attendance. The full-time online learning students and the cyber monitor /Cyber Coordinator will work together to create a scheduled "in-person" tutor session if that one-on-one time is necessary. Students not attending school as mandated by the law will be considered truant and are subject to local truancy laws and regulations.

Offline hours for High school students only, need to be submitted to the Cyber Monitor /Cyber Coordinator by **11:00 AM each Friday**, to counts towards the previous week's hour requirements.

## **Excused Absences**

Fairfield Area School District recognizes that situations can occur that will keep a student from completing the assigned weekly hours. These will be considered excused absences and should fall into one of the categories below. Students are expected to make up all missed work. Excuses are due to the Cyber Coordinator within three (3) school days of the absence and should be emailed or handwritten and faxed to the Cyber Coordinator (who will then communicate with the Building Secretary to ensure proper record keeping). Excuses submitted after the three days will not be approved.

- **Absence due to illness, health conditions, family emergency.** The parent/guardian is to notify the assigned cyber monitor /Cyber Coordinator by email prior to the absence unless the situation does not provide the opportunity. A doctor's note must be provided to the Building Level Office if the student misses three consecutive days due to illness.
- **Participation in school approved activities (field trips, sporting events, etc.).** Participation in the school sponsored activity must be authorized by the advisor of the school-sponsored activity and the online student's parent/guardian. The cyber monitor /Cyber Coordinator should also be notified.
- **Parental request for and Educational Journey.** Students enrolled in the full-time online program and are planning to be away from the home of residence must fill out an Educational Journey Form. This form must be submitted to the Building Secretary or Cyber Coordinator no less than ten (10) school days before the expected trip/event is to occur for Building Principal approval.
- **Disciplinary actions.** Absences due to temporary suspensions are excused for attendance record keeping.

## **Other Absences**

### **Illegal:**

All illegal absences for students of compulsory school age (17 years & under) are unlawful. Current County procedure requires a referral to Adams County Children and Youth for any student with accumulated illegal absences. These absences include the following:

1. Absence through parental neglect
2. Illegal employment
3. Truancy, and/or
4. All other absences not considered “excused”

### **Unexcused (Restricted):**

These absences involve students that are 18 years of age & above and include the following:

1. Absence through parental neglect
2. Illegal employment
3. Truancy, and/or
4. All other absences not considered “excused”

### **Fineable:**

These absences involve all illegal absences in excess of three days and are subject to referral to the Magisterial District Judge for judgment.

When a student has an unusual number of absences (10 days) other than legally supported, the parents will be notified. A written notice will be sent to the parents which will state that all future absences not accompanied by a doctor’s excuse will be considered Unexcused (unlawful or restricted).

When a student of compulsory age has accumulated three (3) unexcused/unlawful absences, the parents will be notified. A written notice will be sent to the parents, which will state that all future absences, except legally supported absences, will be considered Fineable.

Any absence that does not fall into the excused categories above or is not appropriately documented will be considered unexcused. The parent or legal guardian will be notified of unexcused absences by the Cyber Coordinator.

If two unexcused absences occur in a month, a conference will be held with the student, parent/guardian, the cyber monitor, and the Cyber Coordinator to discuss the frequency of the absences, and the work not completed. Three or more unexcused absences in a month will require a conference including the Building Level Principal – at that time an action plan will be created to ensure student success. If a student has ten or more consecutive unexcused absences, he/she will be considered withdrawn from the online program. Compulsory-age students will then be required to re-enroll in the traditional brick-and-mortar school setting with the school district at the appropriate building level.

Please refer to Policy 204, Attendance, for additional information.

## **Parent/Guardian Responsibilities**

Parents/guardians of online learning students have the opportunity and responsibility to participate in the education of their children. Parents/guardians are expected to:

- Directly supervise their child's education at home.
- Provide a physical environment conducive to their child's educational needs.
- Discuss with their child the online courses and help him/her throughout the process.
- Establish and accompany the student to a meeting concerning their online program to schedule courses, understand the pacing required to complete the courses, and sign all necessary paperwork.
- Get the information needed to log in to monitor their student's progress.
- Find out the name and contact information for their student's cyber monitor (s) and the Cyber Coordinator.
- Attend any information sessions offered by the district.
- Log in weekly to monitor their student's progress.
- Assist their students in complying with all rules, policies, and procedures of the school.
- Instruct their students on the correct procedure for logging into the program to record their attendance.
- Maintain regular contact with the school and course cyber monitor(s) via telephone and/or email.
- Work with their students and course cyber monitor(s) to ensure successful completion of courses in the designated time frame.
- Ensure that submitted work is completed only by their student in an honest and complete manner.
- Notify the school immediately of any change in their student's contact information or academic status.
- Provide any necessary absent notes to the school office within three (3) school days as required by the Attendance Policy.
- Provide the student with transportation as needed to participate in standardized testing or other school activities.
- Return all materials and technologies to the school in a timely manner upon the completion of course work.

## **Student Responsibilities**

Students participating in a cyber-school program have expectations and policies that must be followed:

- Attend a meeting with parent/guardian to schedule courses, understand the pacing required to complete the courses, and sign all necessary paperwork with the Building Level Counselor and Cyber Coordinator.
- Follow the school calendar.
- Agree to and follow all policies outlined in the Fairfield Area Cyber Education (FACE) Handbook.
- Establish and maintain a weekly meeting/conversation with course monitor(s) via messaging, email, or other arrangements as determined by the student and individual course monitor(s).
- Log in to the program and complete diagnostic tests, tutorials, Mastery tests, End of Semester tests, discussion posts, and other course components. Activities, projects, and other assignments may be assigned outside of the Edmentum program; this is course dependent, and these assignments must be completed by due dated provide by individual course monitor(s).
- Contact individual course monitor(s) with any questions and/or problems while taking the course.
- Contact individual course monitor(s) when ready for proctored exam(s), if required by district policy.
- Notify your individual course monitor(s) and the Cyber Coordinator of any planned excused absences.
- Complete all lessons in order as established in each individual course.
- Complete all assignments and work related to the course with honesty and integrity to avoid any form of plagiarism or academic dishonesty.
- Return all materials and technologies to the school in a timely manner upon the completion of course work.

## Academic Support and Placement

- Each online course is aligned to the PA Core Standards and is accepted nationally. Courses are provided through the online Edmentum program.
- Each lesson contains multiple methods for students to learn the material and accommodate different learning styles. Each lesson has an assessment to gauge student understanding of the lesson's objectives.
- Students enrolling in the online program will work with their Building Level Counselor and Cyber Coordinator to determine proper placement in courses. The school will place the students at the appropriate level taking into consideration previous grades, courses taken, earned credit, academic achievement, assessment scores, and graduation requirements.
- Each student will have a cyber-monitor for each individual course that will monitor the student's progress and, if necessary, create interventions to help the student master the objectives.
- Each student will be able to seek assistance from a cyber-monitor for each individual course. The cyber monitor will be available to monitor online communication and check student work from 7:25 AM – 2:55 PM Monday through Friday. Additionally, Fairfield Area School District teachers also teach brick and mortar classes during the same timeframe, so cyber student and cyber monitor communication will occur at a time in the teacher's schedule based on their teaching schedule in the building. Cyber monitors will communicate their individual availability with their online students once all schedules are set. This cyber monitor is a highly qualified teacher who can assist the student and answer any content related questions.
- Students are required to attend all state and school mandated assessments. Students should contact the Fairfield Area School District for dates and times of required assessments.
- Students and parents have access to student progress within the online Edmentum program.
- Students and parents are encouraged to communicate with course cyber monitors for grade updates, clarifications, and assistance as needed.

## Withdrawal, Transfer and Dropping a Course

### **Withdrawal**

Students participating in the full-time online learning model (enrolled in at least 4 courses in a semester) may withdraw from the program provided that the parent/legal guardian indicates **in writing** the reason for withdrawal, the name and location of the public or private school that the student will attend and expected exit date from the program.

Parents may initiate withdrawal from the program by contacting the Cyber Coordinator or the Counseling Department. Parents must fill out the appropriate paperwork with the school district to officially withdraw their son/daughter from the district.

### **Transfer**

Students enrolled in the full-time online program are permitted to transfer, or complete a change of status, and re-enroll in the traditional brick and mortar program at each building level. Students and parents/guardians will

need to complete a "Change of Status" form and meet with the Building Level Counselor or Building Level Administrator in order for the transfer to be completed.

The Fairfield Area School District has the authority to accept or deny any requests for location transfers.

Students are expected to continue with their schoolwork regardless of their temporary location. Students with location transfers are still required to participate in state assessments.

## **Dropping a Course**

Students have a three-day window to drop an online course without incurring a penalty. The three-day window starts the first day the course is assigned to the student and/or the first day school is in session for the quarter/semester and includes weekends. If a full-time online student drops a course, they have three (3) days to enroll in another course to maintain their full-time status. If the student does not enroll in another course, they will be dropped from the online cyber program and enrolled in the appropriate courses as determined by the student's grade level, academic status, and graduation needs at Fairfield Area High School.

## **Family Educational Rights and Privacy Act (FERPA)**

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under the applicable program of the U.S. Department of Education.

FERPA gives parents certain rights with respect to their children's educational records. These rights transfer to the student when he/she reaches the age of 18.

Fairfield Area School District follows the FERPA act and requires that any requests for academic records be made to the school of residence where all academic records will be maintained. The local school of residence can assist with questions pertaining to FERPA and students enrolled in Fairfield Area School District online learning programs. See Policy 216, Student Records, for additional information.

## **Student Records**

A file will be maintained for the student while enrolled in the online learning courses at the Fairfield Area School District. This record will contain only verified information of educational importance and may be used only for the benefit, promotion, or welfare of the student. All material in each student's file will be confidential, and access to the file is strictly limited to personnel at the local school and parents/legal guardians.

## **Special Education Services**

Fairfield Area School District is required to provide a Free Appropriate Public Education (FAPE) in the Least Restrictive Environment (LRE) under the Individuals with Disabilities Education Act (IDEA). We offer a continuum of special education services and are committed to working with parents to provide students with educational experiences that will encourage them to be successful learners. Parents who believe their child is eligible for special education should contact the Special Education Office at 717-642-2044 for further assistance. The school district will meet its obligations under the special education laws and regulations to identify students eligible for special education and related services. See Policy 113, Special Education, for additional information.

## **Grading – All Grade Levels**

Students are assessed on criteria such as assessments, quizzes, essays, tests, and forum discussions in the Edmentum program and, depending on the course, additional projects, activities, and assignments. Students and parents have access to student progress by logging into the Edmentum program. Grades for assessments and tests taken within the Edmentum program can be viewed as soon as completed. When a student submits work to be graded by the course monitor, the monitor will have the work graded no more than three (3) days after the work is submitted. Students and parents are encouraged to communicate with course monitors for grade updates as needed.

Students are permitted to make up missed assignments without grade penalty due to excused absences. Cyber monitors will closely monitor student make up days and communicate with the Cyber Coordinator. If work is not completed, the Building Principal will be notified and may require a conference.

Students are permitted to retake any major test that he or she has failed. The student must request a retake from the cyber monitor and notify them of the request. The higher score will be accepted as the final score and factored into the student’s overall average for the course. Final course grades will be reflected on the student’s report card at the completion of the course/semester as well as the student’s permanent transcript. See the High School grading scales below:

**Grading Percentages, Equivalent Letter Grades, and corresponding Quality Points**

Percentage Score	Grade on Report Card	GPA Numerical Value(Quality pts)
98-100	A+	4.333
94-97	A	4.00
90-93	A-	3.667
87-89	B+	3.333
83-86	B	3.00
80-82	B-	2.667
77-79	C+	2.333
73-76	C	2.00
70-72	C-	1.667
67-69	D+	1.333
60-66	D	1.00
0-59	F	0.00

Final Grades - The table below is used to determine a students’ final grade based on averaged quality points.

Grade on Report Card	Quality point range
A+	4.17 and above
A	3.84 – 4.16
A-	3.51 – 3.83
B+	3.17 – 3.50
B	2.84 – 3.16
B-	2.51 – 2.83
C+	2.17 – 2.50
C	1.84 – 2.16
C-	1.51 – 1.83
D+	1.17 – 1.50
D	1.00 – 1.16
F	0.00 – 0.99

**Testing/Edmentum Work Policies**

**Mandated Testing/State Testing**

Students are required to participate in all school and state mandated assessments, unless a valid exemption request is submitted. The Building Level Counselor and/or Cyber Coordinator will communicate with the district cyber students on the date and time that they are to arrive at the high school to take specified assessments.

**Edmentum Coursework**

Students may request to take an exam or complete Edmentum cyber work in the high school building with prior communication to the cyber monitor and Cyber Coordinator. The student will work with the cyber monitor and the Cyber Coordinator to arrange when and where the student will report to complete work in a supervised setting.

## **Student Progress Expectations**

The Fairfield Area School District anticipates that all FACE students engage at their highest educational potential. This includes making educational progress in the FACE program that mimics the progress within the classroom. A student's progress will be assessed on a weekly basis by teachers and a monthly basis by administration. Students who fail to progress through FACE course work at a diligent pace will be reassessed and possibly reassigned to a course work path that will allow them to be successful.

## **High School - Graduation Requirements**

Students will work with the Cyber Coordinator and Building Level Counselor to ensure proper course placements and credit fulfillment in order to meet graduation requirements. Credit Recovery courses are available for students as needed on a case-by-case basis. Students should be aware of graduation requirements and consult the High School Course Catalog for more information. Any questions concerning course credits and graduation requirements should be directed to the Cyber Coordinator and Building Level Counselor. See Policy 217, Graduation, for additional information.

## **Technology Usage**

The Fairfield Area School District is committed to providing students with access to technologies as an instructional tool to support and facilitate learning, communication and collaboration, access to information, and research. Student use of technology shall be consistent with the curriculum adopted by the district as well as the varied instructional needs, learning styles, abilities and development level of students.

### **Acceptable Use of Technology**

The Fairfield Area School District Policy on the Acceptable Use of Internet, Computers and Network Resources (Policy 815) outlines the parameters of appropriate and responsible use of technology. Students are required to abide by all of the guidelines detailed in the policy. A full version of the Acceptable Use of Internet, Computers and Network Resources Policy is available on the Fairfield Area School District website by clicking on Board Policies.

Students must be aware that the use of the internet and network facilities is a privilege, not a right. Inappropriate use, malicious acts, or vandalism, as detailed in the Acceptable Use Policy will result in disciplinary action as determined by the student code of conduct. This may also include the cancellation of access privileges and/or the notification of the appropriate legal authorities. The building administrator and/or FASD administration have the authority to determine the appropriateness of use.

### **Acceptable Use of Online Tools**

The educational environment and degree of technology integration in FASD classrooms may require that students access technology tools while using both FASD-owned and personally-owned equipment (e.g. home computer, cell phone, etc.) and/or using FASD-managed or personally managed resources (e.g. Internet, Cellular data, etc.). Such technology tools include, but are not limited to, hardware, software, internet access, web-based applications, personal electronic devices, telecommunication products, audio/video equipment, and any other technology tool used for classroom instruction.

Any student user accounts created by FASD personnel or by students, for the purpose of completing course curriculum are subject to the guidelines defined by the Policy 815 Acceptable Use of Internet, Computers and Network Resources regardless of where the access to that technology tool has taken place. At a minimum, FASD students could be assigned a network login and a Fairfield Area School District Google Workspace for Education account (includes FASD Gmail and Google Apps) in the FASD's Google domain. All email will be filtered for profanity and archived. Users have *no expectation of privacy or confidentiality* in the content of such technology tools and inappropriate, unauthorized, or illegal use will result in appropriate disciplinary action.

**By acknowledging acceptance of this handbook and signing the attached agreement**, in order to comply with the Children’s Online Privacy Protection Act (COPPA), you hereby agree that your child may have accounts created and used for educational purposes in any of the educational technology resources located at <http://bit.ly/fasdcoppa>. The primary goal of COPPA is to place parents in control over what information is collected from their young children online. The Act was designed to protect children under age 13 and applies to operators of commercial websites and online services (including mobile apps) that are collecting personal information from children under 13, preventing them from disclosing or sharing that information for commercial or inappropriate purposes.

### **Care and Use of FASD Technology Equipment Issued to Students**

Fairfield Area School District students will be issued a portable device (e.g. Chromebook) to assist them in the educational process. When a FASD owned device is issued, the serial number of the device will be recorded and assigned to the student the District’s asset inventory system. Students are responsible for protecting the device from damage, loss or theft and for protecting the information it contains. To help defray the cost of lost or damaged technology equipment, families have the option to participate in the Fairfield Area School District’s Chromebook Protection Plan.

Additional care and use guidelines can be found in the District’s [Chromebook Handbook](#).

### **Field Trips and Social Activities**

Online students are encouraged to participate in school sponsored activities. Students must comply with all school district policies, complete proper permission forms, and not have any disciplinary referrals. Students wishing to attend field trips or social activities must first notify the Cyber Coordinator and make proper arrangements with the district. Once arrangements are made and permission is granted, the Cyber Coordinator will then notify cyber monitors and confirm with the student. Students are responsible for all missed work. Students should remember to follow the rules and policies of the district when attending school functions. They should remember that they are representing the Fairfield Area School District when at a school function and should act appropriately. Full-time online learners are not permitted to drive to school sponsored field trips that are located off district premises; the student must report to the school building and use school sponsored transportation provided to and from the event.

### **Athletic and Club Eligibility**

Students wishing to participate in sports need to express interest to the Athletic Director. The Athletic Director and Cyber Coordinator will then monitor the student’s progress and grades. The cyber monitors, Cyber Coordinator, and Athletic Director will work with parents, students, and coaches if the student is in danger of academic probation.

### **Code of Conduct**

#### **DISCIPLINE**

In a school setting, as any institution, all must work together to create an environment conducive to learning. Responsible behavior in which student’s accord respect to one another and their faculty must accompany the rights of students if learning is to occur.

Rules and regulations and the disciplinary actions needed to enforce them are necessary to ensure that students have the greatest educational opportunities possible. Any student who persists in interfering with the rights of others and ignores repeated warnings may be subject to the following Student Conduct and Discipline Code and Policy 218, Student Discipline.

*The following is a list of acts of student misconduct and their subsequent placement in the hierarchy of levels of discipline. This list does not attempt to cover all the possible acts of student misconduct. The administration of Fairfield Area School District reserves the right to change/modify the discipline consequences in order to cover all infractions and situations. Equity and equality will be used to protect the educational integrity of Fairfield Area School District.*

## **LEVELS OF CONSEQUENCES – DISCIPLINE**

**Level I** - Minor misbehavior on the part of the student which impedes orderly classroom procedures or interferes with the orderly operation of the school.

### Level I: Disciplinary Options/Responses

- Verbal Reprimand
- Behavioral Contract
- Counseling
- Withdrawal of Privileges
- Parent Conference
- Detention

### Level I: Behaviors

- Disruptive behavior (campus, classroom and bus)
- Dress code violation
- Noncompliant
- Leaving class without permission/ Out-of-Assigned Area
- Public display of affection – (PDA)
- Inappropriate language
- Tardy to class/school

**\*Multiple violations of the same behavior may result in the student receiving a higher discipline level consequence.**

**Level II** – Misbehavior whose frequency or seriousness tends to disrupt the learning climate of the school.

These infractions, which usually result from the continuation of Level I misbehaviors, require the intervention of personnel on the administrative level because the execution of Level I disciplinary options has failed to correct the situation. Also included in this level are misbehaviors which do not represent a direct threat to the health and safety of others but whose educational consequences are serious enough to require corrective actions on the part of administrative personnel.

### Level II: 1-3 Saturday School/In-School Suspension(s)

- Continuation of unmodified Level I misbehavior
- Aggressive or provoking behavior
- Cutting class
- Leaving school grounds without permission/Truancy
- Profanity
- Failure to serve assigned office detention/Violation of detention rules
- Possession of stolen property/stealing
- Improper or negligent operation of a motor vehicle
- Using forged notes/excuses/school forms/Dishonesty
- Abusive/Obscene writing

Violation of ISS/Saturday School rules will result in at least one day of out-of- school suspension and the original ISS/Saturday School may be rescheduled.

**\*Multiple violations of the same behavior may result in the student receiving a higher discipline level consequence.**

**Level III** – Acts directed against persons or property but whose consequences do not seriously endanger the health or safety of others in the school.

These acts might be considered criminal thus resulting in the intervention of law enforcement authorities. Corrective measures which the school should undertake, however, depend on the extent of the school’s resources for remediation of the situation in the best interests of all students.

### Level III: 1-10 Out-of-School Suspensions

- Continuation of unmodified Level II misbehavior
- Bullying, Intimidation, Harassment, Discrimination

- Possession/Use of tobacco products and paraphernalia (lighters, matches, e-cigarettes, vapor pens, etc.) (includes a referral to Magistrate)
- Obscene gestures/Indecent acts or photographs
- Fighting – 1st contact = 5 days; offensive return contact = 3-5 days
- Theft
- Extortion
- Gambling
- Unauthorized entry into the building
- Defacing/damaging school or private property
- Disrespect to school personnel (cursing, vulgarity, etc.)
- Technology abuse

**\*Multiple violations of the same behavior may result in the student receiving a higher discipline level consequence.**

**\*\*All out-of-school suspensions require contact between an Administrator and the parent(s)/ guardian(s) prior to the reinstatement of the student to school.**

**Level IV** – Acts which result in violence to another’s person or property or which pose a direct threat to the safety of others in the school.

These acts are clearly criminal and are so serious that they always require administrative actions which result in the immediate removal of the student from school, the intervention of law enforcement authorities, and action by the Board of School Directors.

Level IV: 5-10 Out-of-School Suspensions

(POSSIBLE RECOMMENDATION FOR EXPULSION)

- Assault, battery and/or stalking of school personnel or peer
- Arson
- Terroristic Threats (Policy #218.2)
- Felony
- Fireworks
- Fire alarm (setting off, tampering with, etc.)
- Hazing
- Possession/Use/Sale of alcohol
- Possession/Use/Sale of illegal or look-alike drugs/controlled substances/paraphernalia/solvents
- Possession/Use of a weapon (Policy #218.1)
- Pornography

**\*\*All out-of-school suspensions require contact between an Administrator and the parent(s)/ guardian(s) prior to the reinstatement of the student to school.**

## FACE Course Descriptions - High School

The following course descriptions (provided by Edmentum) are for courses that are exclusively in FACE and not offered in the building. Course descriptions for all other FACE courses are the same as their course counterparts in the building and can be found in the High School Course Selection Booklet.

### Science Courses

**Physical Science:** Science is the study of the natural world. It relies on experimentation and evidence to describe the natural events that occur around us. Physical science is the study of matter and energy; topics in the course include the following: atomic and molecular structure of substances, chemical reactions, different kinds of forces and the effect they have on the motion of objects, work and power, simple machines, gravitational/electric/magnetic force fields, electricity and magnetism, energy transformations in objects and systems, sound and light waves, and electromagnetic waves.

### Physical Education and Health Courses

#### **Physical Education Options (each is a Quarter Course)**

- **Comprehensive PE:** In this course students will explore concepts involving personal fitness, team sports, dual sports, and individual and lifetime sports. Students will focus on health-related fitness as they set goals and develop a program to improve their fitness level through cardio, strength, and flexibility training. In addition, they will learn about biomechanics and movement concepts, as they enhance their level of skill-related fitness. Students will learn about game play concepts and specifically investigate the rules, guidelines, and skills pertaining to soccer, softball, volleyball, tennis, walking and running, dance, and yoga. Throughout this course students will also participate in a weekly fitness program involving elements of cardio, strength, and flexibility training.
- **Group Sports:** This course provides students with an overview of group sports. Students learn about a variety of sports, yet do an in-depth study of soccer, basketball, baseball/softball, and volleyball. Students learn not only the history, rules, and guidelines of each sport, but practice specific skills related to each sport. Students also learn about sportsmanship and teamwork. In addition, students study elements of personal fitness, goal setting, sport safety, and sports nutrition. Students conduct fitness assessments and participate in regular weekly physical activity.
- **Lifetime and Leisure Sports:** This course provides students with an overview of dual and individual sports. Students learn about a variety of sports, and do an in-depth study of martial arts, Pilates, fencing, gymnastics, and water sports. Students learn not only the history, rules, and guidelines of each sport, but practice specific skills related to many of these sports. Students also learn the components of fitness, benefits of fitness, safety and technique, and good nutrition. Students conduct fitness assessments, set goals, and participate in weekly physical activity.
- **Outdoor Sports:** This course provides students with an overview of dual and individual sports. Students learn about a variety of sports, and do an in-depth study of hiking and orienteering, golf, and dual volleyball. Students learn not only the history, rules, and guidelines of each sport, but practice specific skills related to many of these sports. Students also learn the FITT principles, benefits of fitness, and safety and technique. Students conduct fitness assessments, set goals, and participate in weekly physical activity.
- **Individual Sports:** This course provides students with an overview of individual sports. Students learn about a variety of sports, yet do an in-depth study of running, walking, hiking, yoga, dance, swimming, biking, and cross-training. Students learn not only the history, rules, and guidelines of each sport, but practice specific skills related to each sport. Students also learn about the components of fitness, the

FITT principles, benefits of fitness, safety and technique, and good nutrition. Students conduct fitness assessments and participate in weekly physical activity.

- **Strength Training:** This one-semester course by Carone Fitness focuses on the fitness components of muscular strength and endurance. Throughout this course students establish their fitness level, set goals, and design their own resistance training program. They study muscular anatomy and learn specific exercises to strengthen each muscle or muscle group. Students focus on proper posture and technique while training. They also gain an understanding of how to apply the FITT principles and other fundamental exercise principles, such as progression and overload, to strength training.

## **Business Courses**

**Financial Mathematics:** Financial Mathematics is designed to instruct students in algebraic thinking while also preparing them to navigate a number of financial applications. Students will explore how algebraic knowledge is connected to many financial situations, including investing, using credit, paying taxes, and shopping for insurance. In studying these topics, students will learn about the linear, exponential, and quadratic relationships that apply to financial applications. In addition, the course will help prepare students to tackle the wide variety of financial decisions they will face in life, from setting up their first budget to planning for retirement

## **Other Elective Courses**

**Academic Success (Quarter Course):** As in other areas of life, success in academics results from learning and practicing positive habits. This elective provides practical, hands-on guidance on developing and improving study habits and skills, regardless of a student's level of accomplishment.

**Career Explorations:** This course is intended as a practical, hands-on guide to career exploration and planning. This course covers all of the career clusters in the National Career Clusters Framework. You'll explore the career pathways within each cluster, determine the academic and skill requirements for different career pathways, and learn about the jobs available in each pathway and the work these professionals do. This course will also guide you through the process of creating an academic and career plan based on your interests, abilities, and life goals.

**Essential Career Skills:** This course is intended as a practical, hands-on guide to help you understand the skills required to achieve success in modern-day careers. This course will cover essential career skills such as positive work ethics, teamwork, conflict resolution, effective speaking and listening, health and safety, and information technology.

**Professional Communications:** This course is intended to help you become familiar with the communication skills required in a profession. This course covers the communication process, elements of effective communication, and barriers to communication. This course familiarizes you with reading, writing, speaking, and listening skills needed for general communication. These skills equip you with the ability to appear for job interviews, participate in group discussions, and solve workplace problems. You also learn about the use of technology in communication.
