OPEN DISCUSSION

Coaches' Meeting discussion: No notice was given to FAST so a rep could attend. Apparently only 4 coaches were in attendance, so an email from FAST will be drafted to communicate with the coaches instead. There will not be a Parent Meeting this year.

Sports Program discussion: After an email is sent out of all past sponsors, volunteers will choose a business/individual to solicit (first come, first serve). Once a contract is in place, the advertisement will be sent to Joe and the money will be sent to the FAST P.O. Box. Sports programs are available for sale at the games and concession stand for \$3.

Fundraiser discussion: Parking for Pippenfest. Heather will contact school and ask for permission to charge. So far Field Hockey, XC and Girls' Basketball.

	<p>Also, FAST has a Small Games of Chance License, but ideas are needed to utilize it.</p> <p>FAST Shirts and promotional gear discussion: Heather would like to offer shirts to promote FAST and gain awareness. Also discussion of promotional items to give away and/ or sell. Kojak will provide a list of ideas and prices.</p> <p>Concession Sign-up Lists were passed around. Kim said she would be responsible for picking up supplies from SAMs and provide a separate receipt for each sport team.</p>
