## ACTION ITEMS

- Liberty Mountain Challenge 5k run and 1 mile walk will take place on Sunday 10/18 at Liberty Mtn. Promotion of the event includes: flyers were distributed to the students at the Fairfield Schools, posters were displayed locally, notices were posted on several Facebook groups and several running groups were notified.
- A Concession Use Agreement will be given to any group who wants to use the concession area as a fund-raiser. The group will be responsible for cleaning, damages and providing their own food.
- Chris Roan will be handling the ordering of T-shirts for district qualifying and sweatshirts for state qualifying students and teams.

## OPEN DISCUSSION

Discussion and board acceptance that any necessary expenses under \$100 may be authorized by a board member without a vote, but a notification to all board members will be sent following such authorization.

Discussion on financial assistance given to various requests. A precedence needs to be set so that any monies can be equally distributed to all individuals and groups. Possible idea is to create a FAST internship to work off any financial donation in a volunteer/ service position.

Discussion about recognizing coaches and their career goals versus Fairfield coaches and their team/individual goal settings.

## ADJOURNMENT

Next meeting is Wednesday 11/11/15 at 6:30pm Ventura's. No meeting in December
